STAFF SGT. SEALEY STOREY

SGT. SEALEY STOREY DECORATED IN ALASKA

Staff Sgt. Sealey M. Storey, son of Mr. and Mrs. Bill Storey of Cameron, has been decorated for heroism in attacks on the Japanese at Kiska.

Sgt. Storey is a machine gunner in the air corps and it is presumed here that he won his decoration operating a machine gun aboard a fighter or bomber plane in attacks on the Jap positions in the Aleutian Islands.

At the same time Sgt. Storey's award was announced the Headquarters of the Alaskan Defense Command, said the Distinguished Flying Cross had been awarded to Lieut. Col. John S. Chennault, for outstanding courage in attacking the Japs.

So far as known Sgt. Storey is the first Milam county boy to be decorated for heroism in this war.

Mr. and Mrs. Storey here Thursday said they had no details concerning the action in which their son won the decoration.

Sgt. Storey is stationed at Elmendorf Field, Fort Richardson, Alaska. He enlisted as a volunteer in December 1940, at Randolph Field, San Antonio, as an aeroplane mechanic and spent five months at Randolph. He was transferred to March Field in California in April of 1940. He spent only about two months in California. In June of that year he was sent to McChord Field in Tacoma, Washington.

After reaching McChord Field, Sgt. Storey was made a machine gunner. He won second place in the squadron as a gunner. He spent 8 months and ten days at McChord Field and was then transferred to Alaska. The trip was made by boat up the northwest coast.

Sgt. Storey has been reading the Daily Herald often as his mother and father are doing their share to keep their son in touch with home news.

The entire city of Cameron is proud to know of Sgt. Storey's courage and heroism.

MRS. LEE SHIPP DIES IN HOUSTON HOME

Mrs. Lee Shipp died at her home in Houston at 10:30 Monday night, according to news received by the Herald Tuesday morning.

Funeral services have not been announced and it was not known when she will be buried.

News of the death of Mrs. Shipp came with shock to many friends here as it was not known she was ill. The relatives here had no word of her ailment. According to information she died suddenly.

Mrs. Shipp was the former Miss Abbie Eugene Batte, daughter of Mrs. Dick Batte and a grand daughter of R. L. Batte, Sr.

She was born and reared in Cameron, educated here and married here. Surviving are her husband, one daughter, Betty Jean Shipp, band sweetheart at the high school; three sons, Lee Shipp, Jr., Donald Nelson Shipp and Richard Eldon Shipp.

Mrs. Leo Clark of Alabama, first cousin of Miss Mildred Thornton was in Cameron for a few hours Thursday.

CARROLL WOOD QUILTS AS FOOTBALL COACH

Coach Carroll Wood, for more than 10 years, head athletic coach here, has resigned to take a place as athletic director in the United States Army.

Coach Wood will report to Miami Beach, Florida, on March 3 where he will attend school for six weeks and from there will go to Randolph Field to take up his duties.

He came to Cameron from McGregor and gave the city the best football thrills of the years, winning two district and one regional title.

During the past year Coach Wood had no assistants and his program was carried through under great difficulty. His resignation is a severe loss to the city and a further evidence of disintegration in the school system.

KTSA Opens With More Powerful Broadcast System

Climaxing twenty years of colorful service to South Texans, KTSA is now operating with its broadcasts radiating from a 417-foot tower. This giant finger of steel pointing into the sky assures greatly increased strength to the hundreds of thousands of radio sets throughout approximately 100 counties which KTSA serves.

Plans for the erection of the mammoth radiator were completed some time ago, after KTSA's twin 200-foot towers were flattened by the hurricane of last August 30th. This loss presented a very serious problem until, after a long search another tower fabricated for radio use only, was found in Buffalo, New York. KTSA bought it, and turned back into scrap an even greater tonnage of steel from its hurricane-destroyed towers.

Thus, the station is able to serve Texas and the nation with much greater efficiency and clarity.

The station's owners are justly proud of the record of KTSA throughout its twenty years. It is the only station in Texas which has won national awards based on the station's contribution to the life of a community. In showmen's language, this is called Community Exploitation.

KTSA, an affiliate of the Columbia Broadcasting System, and owned and operated by Texans, enters an era of greater importance, not only in the field of serving its potential audience of more than a million, but in attracting attention to the part of Texas which it serves.

It is significant that this great tower could be added to broadcasting and its place in helping win the War at this particular time, when all of our energies are concerned with overthrowing the disciples of darkness in the world.

KTSA maintains a staff of 33 people many of whom are outstanding in their fields. The station has the reputation for keeping its payroll at a higher level than nearly any other station in the state. This is reflected in the quality of its programs and in the kind of service it renders to South Texas.

MARVIN MODE KILLED IN SOUTH PACIFIC WAR

Marvin Mode was killed in action in the South Pacific on January 23, 1943.

Notification has come from the War Department in Washington to the parents, Mr. and Mrs. Ollie Mode of Burlington, that their son had lost his life fighting the enemy in the South Pacific.

Mode enlisted in the United States Marines in July 1942, and was sent to the Pacific war zone after completing his training.

He attended grammar school in Cameron and high school in Buckholts. Mode was in the car wreck in Cameron that took the life of Howard Lawson of Buckholts.

No details were given by the war department and the family is awaiting further word. Mode was 17 years old and is survived by his parents, four sisters and two brothers.

Mack's Oil Company Puts In Plant to Mix Fuel Oil Here

Cameron has a new industry. It is a fuel mixing plant installed by Mack's Oil Company.

A. W. McCullin, owner of the company, is selling fuels at Camp Hood and in order to meet demands had to put in the plant. The plant is located near his underpass service station.

Mr. McCullin enjoys a nice business at Camp Hood and the government finds the products he sells meet all requirements.

Vegetable Prices Fixed Tuesday

The OPA Tuesday fixed the ceiling price on tomatoes, cabbage, peas, string beans and carrots.

The prices are fixed at the level at which these vegetables were selling February 18, through February 22. No higher price can be charged.

ROMMEL IS BELIEVED FACING SURE DEFEAT

Axis forces under General Rommel were in full retreat today and being pursued by Americans and British through Kaiserine Pass.

Overhead Allied bombers and fighter planes were said taking a heavy toll of Germans.

Rommel had left Italian units as rear guard fighters and many are being taken prisoners.

In Washington Secretary of War Stimson warned that much bitter fighting lines ahead and some defeats. Much of the equipment which American forces lost recently has been replaced. Casualties were high among the American forces.

The British 8th Army was believed attacking the Axis flank and Rommel's position is said to be most critical.

Snow and ice are melting on the Russian front. The Germans were showing signs of revival and have reported a Russian tank army wiped out south of Stalingrad. The Germans claim to have put 18 million Russians out of action. The Reds deny this report.

ROOSEVELT ILL

President Roosevelt was ill at the White House Thursday. He had canceled all engagements on the advice of his physician. The President's condition was not serious.

Mrs. Bennie Salach has just returned from a visit to Beaumont where she spent several days with relatives.

Deputy Sheriff Will Vaughan Spends Busy Night As He Figures In Three Cases; Takes Thief Who Stole Ministers Car; Reports At 6 a. m. Friday

Deputy Sheriff Will Vaughan was a tired officer at 6 a. m. Friday after a hectic night in which he investigated a shooting, caught a car thief and assisted Caldwell officers in the arrest of four men at a local cafe at 4:30 a. m. after a Caldwell officer had been beaten and his gun taken away.

Late Thursday afternoon Ike Bailey, negro on the McClaren farm was shot by Frank Thomas. The bullet entered the left forearm and ranged upward to pass over the shoulder and lodged in the back. The negro was brought to Cameron for treatment. The trouble, said Mr. Vaughan arose over a woman.

BRITISH TANKS AID IN SUDDEN VICTORY

General Rommel's axis army in central Tunisia is in full retreat.

Thus the fortunes of war have changed within the past 48 hours with the Americans and British and French winning the battle of central Tunisia.

Allied airmen were said Wednesday to be the deciding factor in the battle as 40 ton British tanks came up to help rout Rommel and his army.

Nazi losses have been very heavy. Axis prisoners are being taken in wholesale numbers said the Wednesday broadcast.

The British arrived in time to help throw the Axis back. It was believed the initiative may have been won from Rommel in this deciding engagement and being pressed by the British 8th Army at the Mareth Line moving in to attack the flank of the enemy, Rommel may not be able to recover or maintain advantage in the battle long.

The pattern in Russia was unchanged. The Nazi are moving in 22 fresh divisions of troops but the Russians are marching on with new successes on all fronts.

Allied airmen were doing great damage to Japanese ships in the South Pacific. The RAF carried out successful attacks in Burma on five key places.

New Zealand has offered the United States permanent air bases in that country.

In Hawaii

PVT JAMES J. STRICKLER

Pvt. James J. Strickler, now in the Hawaiian Islands, entered the army in February 1942. He enrolled in the coast artillery and was stationed at El Paso.

In March of 1942, he was transferred to San Diego, Calif., where he was in training in the early stages of his army service. In May he went to the Hawaiian Islands. He has made good progress and won a number of medals for shooting on the rifle range.

Pvt. Strickler is the son of Mr. and Mrs. Walter Strickler of Ben Arnold and was born and reared there. He has many friends here who will be glad to know of his fine work.

Pvt. Strickler says Hawaii is an interesting country and quite unlike America. He has met a number of Milam county boys since he landed in the Islands. Two are Pvt. August Helpert and Joseph Kaulfus.

Stephan Slama of Waco transacted business in Cameron Wednesday.

las, arrived in Cameron with a young man he had picked up at Milano. The young man obtained \$2 and asked the minister if he might drive his car to the Chevrolet garage in Cameron. That was the last time Rev. Preston saw his car until it was recovered early Friday by Mr. Vaughan on the highway near Lexington.

LeRoy Lyles of Lexington is under arrest and facing car theft charges.

When the minister reported the theft Mr. Vaughan went to work. He drove to Milano to pick up some clues but found none. At a beer tavern down the road he picked up the information he was looking for. He telephoned the Department of Public dark and the Lyles home, located

OUR RESPONSIBILITY

TO BRING YOU THE NEWS

Responsible journalism never is dictated to nor does it dictate.

An opinion is as American as the Constitution.

To print the news where and when we find it, has always been a cardinal principle with The Herald. That in large measure is why we can always visit each week in homes of more people than any other two newspapers combined in Milam county.

This old newspaper knows no master save the people. To them we owe the first obligation and to them we discharge it.

Rely on The Herald. We print the news as we find it and just as it is. That's good journalism and the thousands who read us each week tell us its the best policy.

O. J. Thomas School Pupils Buy \$100 In War Bonds

Four classes in the O. J. Thomas High School have purchased \$100 in war bonds from a recent campaign in which the pupils made a fine contribution to the war effort.

W. H. Staten, principal of the schools, reported the purchase Tuesday. The classes are proud of this achievement, one of a number of good works since they have been in the picture at the negro high school.

Urgent Appeal Made For Red Cross Aid

An urgent appeal is made for Red Cross workers.

Only a limited time is left to complete much needed work for the garment quota and all who can sew and will help are urged to get in touch with Mrs. W. G. Gillis at once.

The sewing room is open each day and garments are needed for the armed forces and for those who must be aided through the agencies of the Red Cross in stricken countries.

\$1281.31 Is Price Fixed by Committee On Right Of Way

The special committee named by the Commissioners Court to fix the valuation for condemnation of land for the right of way for the new bridge across Little River has reported.

The total allowed for the land was \$1271.31. This figure is approximately \$4500 less than was asked by the owners.

The committee made its report Saturday night. The Herald obtained the figures from C. R. Isaacs, county auditor. A. E. Matula, member of the committee, was in East Texas and returned late Saturday.

Mr. Matula said there had been some mistake about the right of way, that it would be raised only about 2 and a half feet at the Akers residence. The committee allowed the money for the value of the land required for the right of way and may not have considered any damage to the Akers residence.

C. E. Akers was given \$1005.73 and Frank Monroe was allowed \$275.58 for his acreage east of the river.

By previous agreement acreage also had been acquired from W. E. Lamkin.

Construction crew have been at work for several days on the east approach to the bridge.

Bean and Pea Seed For Planting Can Be Purchased Now

Sam Perry, Chairman of the Milam County War Price and Ration Board, stated here today that tamales and spaghetti and meat balls are included in the Canned Meat Freeze.

Mr. Perry also stated that the Freeze does not apply to sales of dried beans, peas and other vegetable seeds to persons for use in planting gardens and crops; but it does apply to sales for consumption.

VAUGHAN

(continued from page one)

Safety at Austin then went on to Lexington. It was growing very black in the black jack hills was reached after considerable trouble. Near the house he met the father of the boy who told Mr. Vaughan his son had not been seen.

Mr. Vaughan returned to Cameron and then went to Rosebud. Later he returned to Lexington, taking Jim McGoldrick, city policeman with him. Driving to the Lyles home again he had trouble waking the sleeping man but finally learned the son had not returned. On the way out of the timber some 18 miles southwest of Rockdale he met the boy walking. He made the arrest and found the car parked on the highway near the country road leading to the Lyles home.

The car had no gasoline when stolen so Lyles poured in 7 gallons of kerosene. Mr. Vaughan said they had difficulty getting the machine back so left it in Rockdale and returned to Cameron with the prisoner.

As he drove into the city around 4:30 a. m. he was hailed by Joe Richter, night policeman, who reported more trouble.

Four men were at a local Cafe and Caldwell officers had arrived in the city. Mr. Vaughan made his prisoner safe and went to the cafe where he took part in the arrest of these men.

Mr. Vaughan said two Johnson brothers, a man by the name of Gregory and Harmon Shuffield were arrested. He did not know any of the details but said a Caldwell officer had been beaten and his gun taken away at a night club in Caldwell or near the city. The officers gun was taken from the men here.

Officers from Caldwell came to Cameron and arrived at about the time Mr. Vaughan brought in the car thief. All men were returned to Caldwell by the officers.

Mr. Vaughan walked into the Herald plant at 5 a. m. a very tired man

and needing sleep. He did not know what charges had been filed against the four men for the trouble in Caldwell. All are Cameron residents.

SCHOOL BOARD SCUTTLES BALLOT BOX

The Cameron School Board, which for sheer disregard of public sentiment, has set something like an all time record, comes forward with a new outrage against the people.

It is a new two year contract for der Fuehrer.

Last night the board gave the present superintendent a 24 months franchise to rule over a people who said last April he should go.

While the action was not unexpected, it is nevertheless as flagrant a violation of the accepted processes of democracy as one might hope to find in dictator countries.

Few people knew of the action of the board. What the re-action among the mass of the voters will be, of course, was not immediately ascertained. Some ten or a dozen expressions came to the Herald from school patrons. All were bitter in their disappointment that an election could be so effectively nullified by four school board members.

The balance of power was made even on the board when Lieut. Stanley H. Swift, president of the board, resigned some time ago to accept a commission in the United States Navy.

The balance of power was surrendered some weeks ago when George Childress was named to succeed Mr. Swift. The vote last night was 4 for the present superintendent and 3 against him.

Mr. Childress was a supporter of the present superintendent when he was placed on the board, a fact every one informed seemed to know except the three blind members of the board.

Roy Law, elected last April on a platform to rid the school system of the present superintendent, proposed Mr. Childress and nominated him for a place on the board. The vote was unanimous. Without specific evidence to hand, it is for the moment accepted that Mr. Law did not know what would happen. Despite a currently discussed "compromise settlement," it follows as reasonable to suspect that the whole matter results from inexperience.

This is apparently substantiated from the recent record of the board when on another occasion attempts were made to fill the vacancy.

Mr. Law, Chas. Allday and Drayton McLane are the three board members

who voted against the contract and were committed by a fine majority vote last April. Dr. Crump, J. C. Martin, Mrs. W. O. Triggs and George Childress voted for the contract.

Shortly after Mr. Swift resigned the name of Albert Collins was submitted by the three members opposed to the present superintendent. The name of Chas. Brady was submitted by the members favoring the present superintendent. Mr. Collins was rejected by failure of a majority and so was Mr. Brady.

Mr. Law then nominated Preston Graves. There were three names before the board. McLane and Allday voted for Collins and Law voted for Graves. The other three board members voted for Brady. A majority could not be obtained for any one name proposed so the matter ended.

The board as then constituted could have sustained the faith of the people by refusing to admit a member who would vote against the will of the people. Why it did not do so has not been explained.

In this detail of the background in brief of the voting which resulted in the loss to the people of their fairly won verdict last April, the Herald has no other purpose than to see the truth told. For having printed this the Herald will be discriminated against as it has been for many months, especially in the allotment of school business. The principle of good journalism is guaranteeing to readers the truth about all government business.

Three times since the present superintendent took over the people have won a majority verdict at the polls and three times they have been defeated in turn by diplomatic manipulation if not outright treachery.

It has always been true that when the people are defeated they find a way to rectify the situation. The remedy is at the ballot box, no matter how much you may be disappointed and discouraged at being cheated of the orderly and just verdict you gave last April. There will be another election in April 1943.

We cannot consistently send our sons abroad to fight for Democracy when at home we nurture the elements of dictatorship.

The identity of the Quisling is not yet acknowledged but a near sighted man could read his name from here to Buckholts.

Surgeon's Technician

Pfc. Lloyd Albertson of Cameron, volunteered for service in July of 1942, and went to the induction station at San Antonio where he spent three weeks. He was transferred to the medical corps of the army and sent to Abilene where he attended school to become a Surgeon's Technician. The course requires 8 weeks but Albertson completed this course in 5 weeks.

From Abilene he was sent to a hospital in Denver, Colorado and there was awarded his diploma. He is now stationed in Camp Gordon, Ga.

Pvt. Albertson had lived in Cameron for a number of years, was a short story writer, contributing to a number of magazines. Since he entered the army an operation has corrected his vision to almost normal. He is in the best of health and is making the service one of the best. His father, Lloyd Albertson, Sr., lives in Cameron.

CHILD BADLY BURNED

Richard Graham, one year old son of Mr. and Mrs. Murns Graham of Ozona, was badly burned Monday when he turned over a pot of boiling water. His face and upper body were badly burned.

Richard is the grand son of Dr. David Smith of Cameron. The Graham family formerly lived in Cameron.

Four Cameron men paid fines in excess of \$40 each in Caldwell Friday morning following their arrest in connection with a disturbance at a night club, Thursday night.

First reports said an officer had been attacked and his gun taken away. This report was subsequently corrected. The man whose gun was taken away is a night club owner there but was not at his own club at the time of the trouble. He was at another club where the fight took place. No officer was involved.

Lee Johnson and brother J. Johnson; Willard Gregory and Harmon

Mr. and Mrs. W. J. Parma have returned to Cameron from San Antonio. Mr. Parma spent several months in the civil service at Duncan Field and at present is in the Post-office in Belton. Their many friends will be glad to know they have returned to Cameron.

Goes To Submarine

OWEN STIDHAM

Owen Stidham who left Cameron in 1942, for the United States Navy has volunteered for the submarine service and at present is stationed at an eastern base in training.

After completing his training at the Great Lakes school in Illinois he was transferred west and spent several months on a destroyer taking part in some of the Pacific battles.

Late in the fall of 1942 he obtained a furlough and visited home and friends in Cameron. He is the son of Mr. and Mrs. Grady Stidham of Cameron. In a letter to the publisher recently Stidham said he was recovering from a recent severe attack of pneumonia but would soon be able to report for duty.

Stidham is a graduate of Yoe High School and a star Yoemen, making the all district Herald team at tackle.

BRITISH ARE ATTACKING ROMMEL DESERT ARMY

The British 8th Army under Gen. Montgomery was attacking the Germans under Gen. Rommel Friday as both armies clashed at the Mareth line.

The Germans were holding the southern end of the fortifications.

The Germans were fighting back with vigor.

The American army, badly defeated, minus its equipment, was temporarily in the safety of the hills. It was unofficially reported that some 15,000 Americans had been captured. Many thousands are reported killed.

It was officially said late Friday that the offensive thrust of General Rommel had been halted.

The Red army captured 10 tons in the night and is threatening Orel.

Lunch Programs Affected by Food Shortage in Nation

Food shortage may greatly modify the supply to schools for lunch rooms. Granville G. Weaver of Waco said Wednesday changes in the method of operation will be necessary. It was indicated the schools and the communities themselves will have to pay more of cost of these lunch programs.

Certain foods will be designated to be produced locally and the government will reimburse local sponsors up to a specified amount.

It was not known how the food shortage would affect the Cameron Nursery School.

Mrs. J. C. Wallace of Minerva was in Cameron Wednesday.

Mrs. M. V. Posey is visiting her daughter, Mrs. Frank Bybee of Austin.

Bring In the Knives

The boys in the South Pacific want your old hunting knives and sportsmen knives regardless of the shape they are in, as long as they are short and sturdy. Any type of hunting or skinning knife with a blade at least four inches long will do. These knives are wanted for jungle warfare.

Send or hand them to S. E. Brogdon at the earliest time possible so that he may forward them to the proper address.

The boys in Africa must have more old scrap iron to win the fight so please see that no material the boys can use lies idle in your neighborhood. Let him know about it or sell it to a junk dealer.

Also, Mr. Brogdon calls your attention to dead animals such as hogs and cattle. The Temple Rendering Company will come after all dead animals weighing at the minimum weight of seven or eight hundred pounds.

Mr. and Mrs. Eugene House of Hoyte community were in Cameron Wednesday.

DELPHIAN CHAPTER

The Delphian Chapter held its regular meeting Tuesday afternoon at the B. & P. Club rooms, with the president, Miss Susan Butts, presiding.

They voted to dispense with the business, and the president presented Mrs. R. L. Batte who gave a book review of the history of Gen. Douglas MacArthur, taking up the history of the MacArthur family for generations past. This was a most informative review, and was brought down to the life of Gen. Douglas MacArthur and his work in World War 2.

Following the review, the members of the Chapter from Maysfield were hostesses and served sandwiches and hot punch. Each member was asked to invite a guest, and many had the pleasure of listening to this fine book review.

Lonzo Worley of Thorndale was a Cameron visitor Munday.

Charles Williams of Milano was among the number who transacted business in Cameron Wednesday.

SCALE OF PRICES ON RATION FOODS GIVEN

Washington, Feb. 21.—The government announced tonight how much processed food the new ration books will buy, a drastic scale of point values limiting consumption to less than half of normal.

The 48 ration points allotted to each man, woman and child for March will command two cans of sliced pineapple, or three cans of peas, or 48 cans of baby food.

The 48 points may be spent, of course, on a variety of different foods. Here is what some of them will "cost," in the most popular can size:

Peas 16 points, corn 14, tomatoes 16, green beans 14, peas 21, peaches 21, grapefruit juice 23, tomato juice 32, soup six, baby food one.

Prunes and raisins "cost" 20 points a pound; frozen foods mostly 13 point a pound.

The Office of Price Administration issued a detailed tabulation of nearly 900 different point values which will determine how much canned and frozen fruits and vegetables, dried fruits, canned soups and baby foods may be bought when the rationing starts March 1. Sale of these items is frozen until then.

The point values for dried beans, peas and lentils which were bought under the rationing only last night will be announced later.

The values announced today are expected to remain in effect throughout March, although they could be raised or lowered at any time. At the end of the month the OPA will announce the values for April, which may be the same or different.

The first 47 points provided by the new ration books to be distributed this week are designed to cover purchases for the entire month of March. During the last week of March, however, some of the April ration coupons may be used if necessary.

It had been announced previously that the individual allotment for March would be 48 points but the value of these points was a closely kept secret and today's announcement constituted a severe blow to households who have been relying mostly on canned goods for their tables.

"This means we will be eating less than half as much canned and processed foods as we ate the previous year," commented Prentiss Brown, OPA administrator. "We'll do on this scant ration so that our fighting forces and the fighting forces of our allies may have the food they need to carry on."

He estimated that civilians will have from March 1 to September 1944 a total of 254,000,000 cases of canned fruits and vegetables—an average of little more than 13,000,000 cases a month compared with 30,000,000 a month in 1941-42.

Of adult foods, the only thing "cheap" on the table was canned sauerkraut, at five points a common can, but very little is on the market. Canned meat and canned fish remain under a sales ban but are due to be rationed along with meat at the end

of the month. Canned milk, butter and other edible oils probably will join the ration list soon but remain on sale in the meantime. Bread, milk, meat, soaps, fresh fruits and vegetables and other unrationed items remain on sale, too.

Registration for the new ration book will be held in schoolhouses and other public places throughout the nation beginning tomorrow. The new No. 2 book will be given to any one who has a No. 1 ration book issued for sugar, coffee and shoes. Besides canned goods, the new book will cover meat rationing when it starts about March 28.

The stamps come only in denominations of one, two, five and eight point and grocers cannot give you "change." Therefore the larger point stamps should be used first so that it will be easier late in the month to make exact change with the small coupons.

Grocers cannot return stamps on returned merchandise but may exchange cans of equal point values.

Stamps should be removed from the book only in the presence of the storekeeper or his employees, including delivery boys.

ROMMEL IS CRACKING UNDER BRITISH ATTACK

Despite the fact that Field Marshal Rommel has again broken through allied lines in Tunisia and won another decisive victory over the Americans, reports Monday said his forces are crumbling under the attack from the British 8th army.

The Americans have suffered another serious defeat, driven out of the pass and scattered. Loss of life and equipment has been heavy.

President Roosevelt will address the nation at 9:30 tonight on the occasion of Washington's birthday. In his last address to newspaper correspondents in Washington, reporting on the Casablanca conference, he said, quote: "We will hit the enemy so often and in so many places he will not know his bow from his stern," unquote. If the enemy hits us in like manner will we be able to define and properly place the anatomy of our own ship?

No speeches were planned in Red Russia over the night so fighting was continuing with good progress. The Red army has almost reached the Dneiper river. Here it is said the Germans plan to make a last stand on Russian soil. Thereafter if defeated peace will come between Germany and Russia.

The RAF carried out successful raids over Germany.

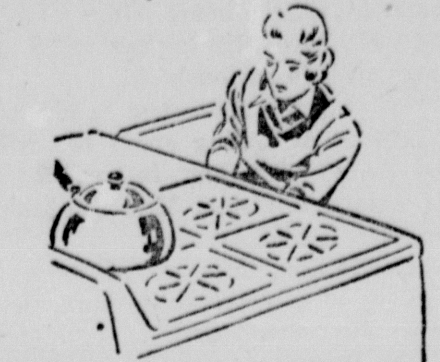

Gause Landing Field Has Been Abandoned

The auxiliary landing field at Gause which had been under improvement has been abandoned.

The field was in conjunction with extended construction at Bryan and was to have taken a portion of a public road near Gause. The road will now be restored.

What You Buy With WAR BONDS

That new cooking range, whether it be gas, electric or otherwise, is something to look forward to when the War is won. But you can start saving now to buy it. Put a definite amount every payday, ten percent of your pay check . . . into War Bonds today.

When your Bonds mature you will have the money ready for that new range. You will have made a good investment, getting back \$4 for every \$3. And your purchase of War Bonds is helping that boy, husband or sweetheart on the fighting front.

GRAND CHANCELLOR TO ADDRESS MEETING HERE

Dr. G. H. Ater, Grand Chancellor, will address an open meeting of the Knights of Pythias tonight.

Lieut. Governor John Lee Smith, Supreme Chancellor of the Knights of Pythias in America, will be in Cameron also for the meeting.

Milam Lodge 125 has made all arrangements for the open meeting. All members are urged to be present.

Certificates of merit and military service will be given for 48 members of the lodge now in the armed services.

The war program of the Knights of Pythias will be discussed in an address by the two Chancellors.

W. W. Caddell of Buckholts was in Cameron Monday on business. He plans to begin his crop operations soon and has been fortunate in obtaining help. Mr. Caddell owns one of the best farms in the county and works with tractor.

Miss Francis Zavrel was in Cameron Saturday.

\$200 Month Cost of Inductee With Two Children Table Shows

Washington, Feb. 21.—When John Doe kisses his wife and two children good-bye and marches off to war, the government must set aside \$200 a month to pay John and his family.

When Richard Doe goes, leaving no dependents, he costs the government only \$50 a month, his basic pay.

The army is going to cost more money—millions of dollars more—as draft boards take men with wives and fathers with children.

The allowances are payable to the families of any army man, below the rank of staff sergeant and of any navy man below the grade of petty officer. The allowances are the same in all the eligible grades.

A wife with no children receives \$50 a month—\$28 from the government and \$22 from her husband's pay.

Wife with one child gets \$62—\$40 from the government and the \$22 pay allotment. The government grants \$10 more for each additional child, so that a mother of four children receives \$92.

A divorced wife may get \$42, \$20 of it coming from the U. S. treasury and \$22 from the pay of her ex-husband. The actual allowance, however, varies with the amount of alimony and the number of the man's other dependents.

These are known as "Call A" dependents.

Here are the total allowances for "Class B" dependents, when the man has none in Class A, with \$22 in each case coming from the service man's pay and the remainder from the government:

One parent, \$37; two parents, \$47; one parent and one sister or brother, \$42; one parent and two sisters, \$47.

Here are the allowances made to Class B dependents when the service man also has Class A dependents (with \$5 in each case coming from the service man's pay and the remainder from the government):

One parent, \$20; two parents, \$30; one parent and one sister, \$25; one parent and two sisters, \$30.

Combinations of these groups can run up the payments considerably but the government's contribution to Class B dependents is limited to \$50.

If you have a news item phone 282.

What You Buy With WAR BONDS

One of the most essential articles of equipment for our soldiers is his canteen. In equatorial countries and in other warm climates they are particularly important to the welfare of our fighting men.

The canteen, now being largely manufactured of plastics, costs about 43 cents. The canvas cover . . . about 41 cents or 84 cents in all. Your purchases of War Bonds, or People's Bonds, will buy many of these for our men in the Solomons or in Africa where they are badly needed. Buy War Bonds every payday . . . at least ten percent of your income . . . through a Payroll Savings plan.

Mrs. May Dell Simmons of Sharp was in Cameron Saturday.

Mrs. Edward Doggett of Buckholts was a Cameron visitor Saturday. She renewed her subscription to the Herald while here.

FORMER RESIDENT OF BUCKHOLTS IS DEAD

Mrs. C. L. Russell, a former resident of Buckholts, died suddenly at her home near Lubbock at 9 p. m. February 18, 1943, at the age of 75 years.

Funeral services were conducted by Rev. Roy Dawson, Saturday afternoon February 20, 1943, at 4 o'clock at the Sanders Funeral Home in Lubbock. Interment was made in the Memorial Burial Park in Lubbock.

Surviving are her husband, C. L. Russell; two daughters, Mrs. W. W. Williams of Dallas; Mrs. J. A. Cryer of Cameron. Two sons, C. R. Russell of San Angelo and Will Russell of Lubbock also survive. There are 18 grand children and five great grand children. Three daughters and a son preceded her in death.

DAUGHTER IS BORN

Mr. and Mrs. Hilton Criswold of Dallas announce the arrival of a fine baby daughter, Barbara Ann, on Feb. 17, 1943. Mr. Criswold is a former resident of Cameron. The infant is the grand daughter of Mr. and Mrs. D. A. Criswold of Cameron.

Miss Edna McHenry and mother of Edinburg were week end guests in the home of Mr. and Mrs. Gus Evans. Miss McHenry is a student in Baylor College, Belton.

SAYS RUSSIANS ARE ALONE WINNING WAR

The January promise made in the oval room in the White House in Washington in January 1942, of a second front in Europe was never made good by the United States and Great Britain.

Roosevelt promised it for America unconditionally while Churchill qualified his promise by interposing contingencies.

Now more than a year has lapsed since that promise was made and still there is no second front, only defeat in Africa.

Thursday Joseph Stalin, Red Dictator, in an order of the day to the Red army said that Russians have put nine million Nazi out of action despite "No Second Front," in Europe.

Russia is bearing the brunt of the war and the order of the day called upon the Red Army to expel the Nazi from Russia in mass.

When the Germans have been put out of Russia peace will come between Hitler and Stalin, some believe. No less an authority that Wm. L. Shirer said Monday if the United States and Great Britain expect to sit in on a European peace they had better get some men over there and get in the fight.

Stalin is not satisfied with the African landings.

Last night President Roosevelt quoted scripture in his address on Washington. He said little except to criticize those who want to go ahead with this war. Vice President Wallace, the best orator in Washington since Cordell Hull cussed out the Jap envoys, made a fourth term plea for the President.

The Nazi drive in Tunisia has been stopped with heavy losses on both sides. Despite this however the situation is critical and some frankly predict a sound defeat for the Americans and British in this phase of the campaign.

The American Air Force, brave band of men, small in number, were hitting the Japs from Kiska to the Solomons in a series of devastating raids.

Secretary of the Navy, Knox, said the Germans are building submarines faster than we can sink them.

Red Cross Workers Call to Meet Here 3 P. M. Wednesday

F. G. Blake, Roll Call Chairman for the American Red Cross in Milam county, announces a meeting of workers of the county at 3:30 Wednesday afternoon in the Chamber of Commerce rooms.

The representatives of the Red Cross from over the county are urged to attend as this meeting will lay out plans for the war drive to come in March.

More Than 50 From Knights Pythias Lodge In Service

More than 50 members of the Knights of Pythias Lodge in Cameron are in the armed services.

This was made known here Monday night when Supreme Chancellor, John Lee Smith, gave certificates to the men through their relatives. Dr. Ater, Grand Chancellor was present for the ceremonies.

Another guest and a former Grand Chancellor was Royal G. Phillips, now with the Federal Bureau of Investigation.

M. G. Cox presided at the meeting and introduced the speakers.

MRS. C. E. COLEMAN

Mrs. C. E. Coleman, 67, daughter of the late John Willimas, of the Sandy Creek community, died at the family home there Sunday. Interment was made in the Sandy Creek cemetery Monday.

Mrs. Richard Hester is in the Newton Memorial Hospital doing nicely following an emergency appendicitis operation Monday night.

William C. Wallace Commissioned Lieut. In South Pacific

In an announcement made January 14, from the headquarters of Major General Millard F. Harmon, commanding Army ground and air forces in the South Pacific Area, William C. Wallace, former City Attorney was commissioned a 2nd Lieutenant, NMB.

Twenty-six officers were commissioned from the ranks under General Harmon's command. Many of these men held reserve commissions while serving on active duty as warrant officers or enlisted men. Establishing a precedent in the South Pacific Area, General Harmon also gave direct appointments to enlisted men qualified as officers who were holding positions of responsibility in his headquarters.

Lt. Wallace, resigned from the office of City Attorney, to enter the army. He attended pre-law school at Rice Institute and later obtained his degree from Harvard University. He is the son of E. A. Wallace, widely known lawyer here.

Letter Mailed at Sea by Jack Pond Reaches His Mother

A letter written by Jack Pond and tossed into the sea in a bottle, has finally reached his mother, Mrs. Jack Pond, Sr., on Rosebud, Rt. 1. Jack lost his life when his ship was sunk by a German submarine in Gulf waters early in 1942.

Mrs. Pond, in a letter to the publisher said the letter was written by Jack and mailed at sea on August 16, 1941. The letter was placed in a bottle and thrown into the sea. The boys on the ship often mailed letters thus. The bottle and jars were usually picked up by fishing vessels and the letters brought ashore and mailed.

The letter received by Mrs. Pond was mailed to her from Miami, Fla., on February 8, 1943. With the letter from Jack was this note. "The accompanying letter which was washed ashore at Hart Hill, Acklins Island, Bahamas, on January 20, 1943, was received at this office from postal censor at Nassau, Bahama, on February 7, 1943. Hugh P. Emerson, Postmaster.

Mrs. Pond said the letter is very interesting. He later wrote her and asked if she had received the letter but she had not. He told his mother about the scenery and the places he had visited. All of this occurred before the war came to America.

Tire Certificates Should Be Filed With the Dealers

Sam Perry, Chairman of the Milam War Price & Ration Board, states that since there is a shortage of Grade III tires (new war tires, used tires, recapped tires) in the hands of dealers and wholesalers it is possible that some certificates may expire in the hands of consumers unless they place their order with a dealer and leave their certificates with him.

Certificates for tires, tubes and camelback issued to consumers are valid indefinitely in the hands of dealers although good for only thirty days in the hands of consumers; therefore, Mr. Perry advises any consumer who has been issued a certificate to handle as above to avoid the expiration of his certificate.

PETTIBONE STORE BURNS

The store at Pettibone was destroyed by fire Saturday night Feb. 13. The cause of the blaze has not been determined.

Lt. Billie Ruby, son of Mr. and Mrs. Martin Ruby of Waco, and grandson of Mr. and Mrs. Henry Ruby of Cameron, was graduated from Blackland Field in Waco, Feb. 16th, and has been sent to Salt Lake City, Utah, where he will be trained and sent to some over sea duty. He has visited his grand parents here several times since volunteering.

Jimmie L. Clark of Thorndale was a Cameron visitor Friday.

42 PARTY

A typical George Washington 42 party was held in the home of Mrs. Dan Tyson, Thursday at 2:30 with two tables and four guests present. The home was decorated with red, white and blue flowers.

For refreshments, cherry pie and hot coffee were served. Each and every guest enjoyed a lovely evening.

W. E. Kuzel of Buckholts was a Cameron business visitor Thursday.

Schuemate Funeral At 2 p. m. Wednesday

Funeral services for James Schuemat, 45, who died of a heart attack in Cameron Sunday night, will be held at 2 o'clock Wednesday, February 24, from the Methodist church in Minerva.

Interment will be made in the Minerva cemetery.

SHOWER FOR BRIDE TO BE

Miss Gloria Halberdier was gracious hostess at a shower given at 8 o'clock Monday night at her home in honor of Miss Gladys Chandler who will be married Sunday, Feb. 27, to Bill Doyle of Virginia.

The home was beautifully decorated with red and white flowers representing George Washington's birthday.

Many interesting games were played led by Miss Carrie Kuehl. Miss Anita Cole won the prize which she in turn presented to the bride to be. Refreshments of sandwiches, cookies and hot chocolate were served with tiny hatchets for plate favors decorated with white ribbons on which was written, "Gladys and Bill, Feb. 27."

Many lovely gifts were presented to the bride which she thanked everyone for in a charming way.

There were quite a few guests present all close friends of and acquaintances of the bride to be. There were a few who could not be present but sent their gifts to Miss Chandler.

Miss Opal Walton of Tyler, and mother, Mrs. J. L. Walton of Reisel, have been visiting her aunt, Mrs. M. Janeway of the Cameron Hotel for a few days. Miss Walton is a graduate of Yoe High School and later took up training at the Cameron Hospital where she studied for two years, and then went to St. Joseph Hospital then in Fort Worth where she graduated, and subsequently did nursing in

Tyler Hospital for several years, and has volunteered for Naval over sea duty as a nurse, and will leave Feb. 23, for San Diego, Calif., where she will await her assignment for nurse work

in over sea duty. Miss Walton has many friends here who wish for her success and happiness in her fine work.
